

LAGOON HOUSE VOLUNTEER DAY

The Lagoon House is one of Brevard's most hidden treasures. Situated along the Indian River Lagoon, this Scenic Highway gateway is the Cornerstone of the Palm Bay Community and a Historical & Environmental Showcase of Brevard.

Together at Ecoscape Day, we'll create a Community Landmark. Bring your shovels, rakes, gloves, wheel barrows and a good attitude. Come enjoy food, drink and the sounds of Sykes Creek Band.
